

COVID-19 UPDATE

Great Lakes Seminars is committed to providing quality continuing education courses. However, protecting the health and wellbeing of our registrants, GLS instructors, and their loved ones is our main priority during this unprecedented time. As a result, the GLS team has implemented the following actions to do our part in preventing the continued spread of COVID-19.

Great Lakes Seminars has discontinued public in-person courses through the weekend of April 11-12, 2020.

If you are registered for a course during this time, we have emailed you the following options:

1. Receive a full refund
2. Receive a full course voucher that will cover the cost of any future two-day course

If you choose Option #2 (receive a voucher for a future course), you will be eligible for one of the following additional options as an offer of gratitude for your dedication to Great Lakes Seminars:

1. A \$200 coupon on a future two-day course
2. Two free courses from our online learning site, which will be launching in April

Please contact us at info@glseminars.com or 800-210-5856 with the option you prefer.

Courses Past April 13, 2020

All public courses scheduled after April 13, 2020 are currently still on as planned. Our standard cancellation policy is in place for those courses and can be found at the following link: <https://www.glseminars.com/cancellation-policy/>. We are closely monitoring advisories from the CDC, Public Health Departments, and restrictions being placed by course host facilities. We will ensure that all registrants for public courses past April 13, 2020 are updated with any changes in a timely manner.

Thank you for your patience and understanding as we navigate these changes. Please feel free to reach out to us at info@glseminars.com or 800-210-5856 with any questions.
